How to Subscribe to a Service on AllMarkets.org

Follow the steps below to successfully browse, select, and subscribe to any service available on **AllMarkets.org**.

Step 1: Choose Your Service Category

Begin by visiting **AllMarkets.org** and selecting the main service category that fits your needs. Example:

Education

Under Education, you may find options such as:

- **Qbanks for Graduates**
- **Exam Prep for Current Students**
- **E-Books & Learning Resources**
- **Events, Workshops, and Webinars**

Each category contains specific services tailored to your learning or professional needs.

Step 2: Browse Through the List of Available Services

After selecting your category:

1. A list of all available services in that category will appear.
2. Scroll through to explore the different products or programs.
3. Each service includes a brief preview or title to help you identify what you're looking for.

Step 3: View More Details or Subscribe

When you find a service you're interested in:

Option A: Learn More

Click **"More Info"** to open a detailed page containing:

- Description of the service
- Features and benefits

- Duration and access details
- Pricing
- Included materials (e.g., number of questions, ebooks, videos, etc.)

This helps you make an informed decision.

Option B: Subscribe Immediately

If you already know what you want:

- Click **"Subscribe"**
- You will be directed to the subscription/checkout page

Step 4: Choose a Payment Method

On the checkout page, select your preferred payment option.
AllMarkets.org supports multiple payment methods to accommodate users globally.

Available Payment Methods

1. Bank Card Payments

You can pay securely using your credit or debit card.
You will need to enter:

- Full Name
- Email Address
- Card Number
- Expiry Date
- CVC / CVV Code

2. PayPal

Choose PayPal if you prefer a fast and secure online payment method.
You will be redirected to log in and confirm the payment.

3. Debit or Credit Card

Standard payment option for Mastercard, Visa, Discover, etc.

4. Other Accepted Payment Methods

These may include:

- **Pay with PIN**

- **WorldRemit**
- **Other regional or alternative payment methods**

Important Note About PIN Payments

If you select **"Pay with PIN"**, please be aware:

- A **unique PIN code** is generated by **AllMarkets staff**, not by the system automatically.
- This PIN is created only after **you request it**.
- You will hand your payment **in cash** (or through a supported offline method) to the staff.
- After the payment is confirmed, the staff will generate and share a secure PIN with you.
- You can then enter this PIN on the website to gain full access to your purchased service or resources.

This method is especially helpful for users who:

- Do not have access to online payment methods
- Prefer in-person payments
- Want assistance during the process

After Successful Payment

Once your payment method is processed:

- Your account is automatically activated for the selected service.
- You will receive instant access to the services you paid for :
    - Qbanks
    - E-Books
    - Events
    - Study materials
    - Any other resources included in your subscription
